CLERK: I move to return LB 763 to the Banking Committee for a public hearing. Signed, Senator George.

PRESIDENT: Chair recognizes Senator George.

SENATOR GEORGE: Mr. President, members of this house. We have had a long discussion now and I believe that there are a lot of questions that have to be answered. I do think that after we have had three court decisions, two this way, and one that a way, we have had the Director of Banking making decisions in a contrary way depending on which one you look at. Therefore, I'm convinced that this calls for some kind of a legal settlement. Therefore we probably have to come up with a law to regulate this. I do believe that before we come to that point that we have to have another public hearing.

PRESIDENT: The question is shall this bill be returned to Committee for public hearing. Record your vote. Have you all voted? Please vote. Record.
